I am indebted to Almighty ALLAH Who has bestowed me this opportunity to lead such an august institute which has the honour to be the First Recognized Cadet College for GIRLS in Pakistan. Keeping pace with the rapidly evolving society of today demands a lot from an individual. The challenges in time ahead would be even greater. CADET COLLEGE CHAKWAL FOR GIRLS has taken this responsibility to equip its students with requisite traits to successfully cope up with upcoming challenges of personal and professional life.

Our extra curriculum programs combined with academic syllabus makes sure that what we profess will be achieved during your stay with us.

There is a maxim which clearly depicts our ardent desire about the future of students admitted in our college. It reads like this:

"Give a man a fish; you feed him for a day. Teach a man how to fish; you feed him for a lifetime."

May Almighty ALLAH endow us with success! Amen!
